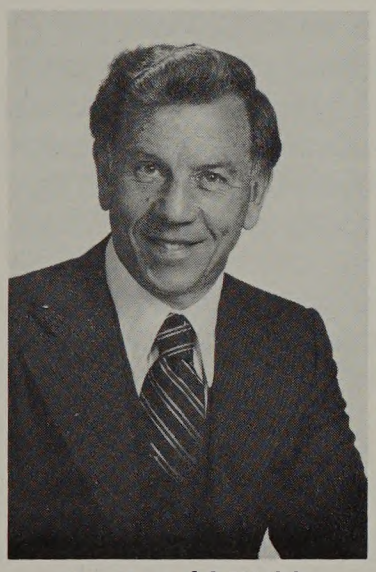
1982-83

CENTENARY
COLLEGE OF LOUISIANA

THE PRESIDENT'S REPORT

PRESIDENT'S REPORT



Dr. Donald Webb

Centenary's 1983, I will remember as the year . . .

. . .the Dome roof fell in

. . . enrollment hit 1500: the highest in some time

. . . our sixth academic chair was endowed by the family of Samuel Guy Sample

. . . the Centenary Rose came to the beautiful new Hodges Rose Garden

. . . the Shreveport community was strongly supportive, in spite of the recession

. . . The Speaker of the House of Commons delivered a Chapel Address

. . . parking on campus improved . . . filled . . . got worse

. . . the Choir raised funds, voices & spirits in connection with the China concerts

. . . two lady gymnasts became our first four-time All-American athletes

. . . United Methodist Churches gave record scholarships

. . . morale was high

. . . six fine new tennis courts were added

. . . the Drama Department mounted a production at the Kennedy Center

. . . we balanced the budget (by the narrowest margin! It was a difficult year: but it was done!)

God was good to us in '83: praise be to Him!

FINANCES

The able leadership of Don Duggan H82 and William G. Anderson inspired over 100 volunteers to help raise $685,250 in unrestricted gifts for the 1983 Great Teachers-Scholars Fund. Membership in The President's Club, The Founders' Club, The 1825 Club, and the Patrons group increased by nine percent.

Other highlights of the 1982-83 fiscal year include $326,000 raised in decimal gifts from the Louisiana Methodist Conference and the extraordinary sum of $1,381,760 raised from donors who designated their gifts for special projects.

ENDOWMENT

Restricted and unrestricted contributions brought Centenary's total endowment to $17,000,000, an increase of about $1,500,000 over the 1981-82 total. Gifts included the following from our many friends:

* $20,000 challenge grant for campus beautification by the Community Foundation of Shreveport-Bossier
* Approximately $104,000 in other gifts to the beautification program
* The establishment of the Samuel Guy Sample Endowed Chair of Business Administration
* $50,000 special gift for the Great Teachers-Scholars Fund
* The newly completed and endowed Hodges Rose Garden by Sarah and Bill James '29
* $40,000 from the Bruce McMillan, Jr. Foundation to endow scholarships, bringing the total to $250,000
* Many new scholarships from alumni, churches, and friends
* Over $500,000 in other scholarship support

ENROLLMENT

A record enrollment of 972 undergraduates and 530 graduate students marked the 1982-83 academic year at Centenary.

Prompted by the healthy increase, an Enrollment Task Force began work on long-range enrollment planning. Faculty, administration, and students have been actively involved in the on-going work.

The sixth season of the Centenary-Fabsteel Quiz Bowl was the most exciting ever. Some 40 schools from a three-state area participated, with Texas High School meeting Loyola College Preparatory School in the final match aired at prime time on KSLA-TV. Texas High School took the trophy home to Texarkana, Texas.

Other special events and activities included a combined High School Weekend and Homecoming; record attendance at Summer Orientation, and a record number of inquiries about Centenary — 6,000! A new word processing system makes response to those inquiries more efficient.

ACADEMICS

Academics continued to flourish at Centenary during 1982-83. In the constant attempt to upgrade instruction, both in

terms of environment and personnel, the College is proceeding with renovations in classrooms and laboratories and has acquired or ordered a number of microcomputers. (Both Chemistry and Biology have already made purchases, and certain humanities departments are in the process of doing so.) A committee is surveying computer needs throughout the College.

Overall achievement has been impressive this year, but a few outstanding items deserve special mention. One is the Theatre/Speech Department's production of **My Sister in this House**, which was selected as one of twenty-four in the nation to be acted in the Kennedy Center for the Performing Arts in Washington, D.C. Another signal accomplishment was the Choir's concert tour in the People's Republic of China, where they were enthusiastically received by government officials and by audiences in four major cities. Three Centenary students participated in our British Studies at Oxford Program. They took courses in Renaissance literature, history, social history, and art history — and made all A's and B's.

Also, Oxford had its representative at Centenary. Mr. Michael Hurst, Fellow of St. John's College, was a Visiting Professor during the spring semester. He offered a seminar in "Modern Britain" that was cross-listed as history, political science, and sociology. Alan Strange, an honors history major from Haughton, La., was one of 10 American students selected to participate in the Historic Deerfield (Mass.) Summer Fellowship Program. And Shirley Shelton, a biology major from Biloxi, accompanied Dr. Bradley McPherson to Costa Rica as his research assistant. Dr. Webb Pomeroy, James Professor of Religion, and Dr. Lewis Bettinger, Professor of Psychology, both studied at Vanderbilt this past summer, Dr. Pomeroy on a Mellon Grant, Dr. Bettinger on a Centenary Award. Dr. David Throgmorton, Assistant Professor of Sociology, won a National Endowment for the Humanities grant to participate in a summer seminar at Duke; and Dr. David Jackson, Assistant Professor of English, continued his research at Yale this summer on Robert Louis Stevenson. Dr. Michael Hall, Chairman of the English Department, and Dr. Lee Morgan, Brown Professor of English, returned to Great Britain in July for a month to continue on-going projects.

A highly competent faculty obviously remains the backbone of the College program, which has as its primary responsibility undergraduate teaching. But a significant amount of its contribution lies in the writing, seminar participation, and research in the various disciplines, all of which enables and enriches classroom learning.

SCHOLARSHIP DEVELOPMENT

Scholarship aid is one of our greatest needs as we attempt to attract students to Centenary College. Like other private and church-related colleges, we are faced with a decreasing pool of available students, a widening tuition gap between independent and tax-supported institutions, inflation, and reduction of federal student aid.

This year, 18 new scholarships were developed within the community. Donors included individuals, clubs, businesses, and organizations. These new scholarships were both endowed and unendowed and totaled $195,413. It is significant that an additional $180,296 was contributed to continue already established scholarships. These older scholarships were increased by $60,673 during the '82-'83 school year. Scholarship donations totaled $375,709. This figure does not include money raised for church-related scholarships, which is detailed below.

CHURCH RELATIONS

This past year a total of $1,251,000 was given to Centenary students in scholarship aid. Our churches and the generous gifts of lay people supplied $103,217 in scholarship gifts. This money represents 41 Methodist churches and laypersons throughout the United Methodist Conference. In addition to scholarships, churches gave $326,000 to the general operating budget of the College through the decimal askings. The Church is a significant part of the growth and life of our College.

During the last year, visits to 131 churches opened doors for Centenary programs with local church youth groups, administrative boards, United Methodist women's and men's groups, and Sunday School classes. These opportunities have broadened the lines of communication between the College and the Church through recruiting students and keeping the college visible to the Church people who so faithfully support us.

The Centenary Church Council added a number of new lay people and ministers this year. February's meeting was the first gathering for many of our newcomers. A progressive meeting to different areas of the campus helped to familiarize them with the College and reacquaint them with all that is taking place on our campus.

This has been a significant year for the growth of our College. We are indeed grateful to our friend the Church for its continued support in this growth.

ATHLETICS

The 1982-83 athletic season was one of the best ever for Centenary College. The Maroon and White produced six All-Americans as well as four outstanding individual accomplishments.

In gymnastics Jill Brown and Jennifer Forshee became Centenary's first four-time All-Americans in gymnastics. In tennis, Lauren Cotter Ingram, the national singles champion; Patty Hamilton, and Sandy MacMillan earned top honors, while in basketball Willie Jackson was named to the Sporting News All-American squad.

Four Centenary athletes received other prestigious awards. Willie Jackson was honored as the Most Valuable Basketball Player in the Trans America Athletic Conference (TAAC); and Steve Greenchik was selected as the Most Valuable Athlete in the TAAC in cross country, while teammate Greg Blackman was awarded the third annual TAAC Post Graduate Scholarship award, the second consecutive year a Centenary student-athlete won the award. Jill Brown was selected as the most outstanding gymnast in the National Association of InterCollegiate Athletics.

The men's basketball team had its fourth straight winning season with a 16-13 mark, closing in on the school record of five set from 1972-76, and placed third in the TAAC. The soccer team finished its season with an 11-3 record and third-place finish in the TAAC. Because of this record, the team was ranked the 10th best team in the midwest region. The cross country team finished second in the TAAC, its best finish in five years; and the gold team finished third.

Centenary's men's program placed third out of nine schools in the TAAC, quite an achievement for the smallest college in the conference.

The women's gymnastic and tennis teams had outstanding seasons and added to their list of accolades, each finishing second in the nation in the National Association of Intercollegiate Athletics (NAIA).

Our women's program finished seventh in the nation in the NAIA All Sports Award, competing in basketball, gymnastics, and tennis, an outstanding accomplishment considering only three sports were involved. Some 460 colleges have their women's progress associated with NAIA.

STUDENT LIFE

From a student life standpoint, 1982-83 was a busy year. Among the outstanding events were the New Student Orientation Dance, the Fall Ball in November, the Annual Christmas Jubilee, and the M*A*S*H Party and Dance in April.

A workshop at Caney Lake prepared the Resident Directors and Resident Assistants for their work with students living in the dormitories. There were special dorm-sponsored events throughout the year, such as the Cline Hall Boxing Match and the James Hall Street Dance, which extended the residents' hospitality to other students living on and off campus.

SUB Week is a time when the Office of Student Activities and the Student Government Association provide activities and events to create an atmosphere of campus unity, with the Student Union Building (SUB) as the nucleus. An auction, a late breakfast served by the Dean of Students' staff, and the Faculty Follies are just three of the many successful activities held during the week to raise funds for continued improvement of the Student Center.

ALUMNI AFFAIRS

During the past year, the network of alumni class agents continued to grow and contributed even more to the success of alumni programs. Class reunions were again held in late June as part of Alumni Weekend; the efforts of the agents in promoting the reunions combined with the planning and help of the Alumni Board of Directors resulted in a great weekend in which over 450 alumni from near and far took part. Also highlighting the year were alumni gatherings in Jackson, Miss., Dallas, and New Orleans.

The Alumni Board again sponsored a series of Real World Seminars, coordinated by Career Development Committee Chairman Jan Gresham Ham '76. The Development Committee, chaired by Benny Vaughan '69, formulated and proposed a program for Active Membership in the Alumni Association. At year's end, Tom Burton '71, chairman of the Activities Committee and Board president-elect, assumed the presidency. Wayne Curtis '69 became past-president after three years of excellent leadership; Eneile Cooke Mears '66 was chosen as president-elect.

The recipients of the 1982-'83 Alumni Awards were:

Harry V. Balcom '36: Hall of Fame Alumnus
Anita Mary Steinau: Honorary Alumna
Dr. Nolan G. Shaw (geology): Outstanding Teacher
Dr. A. Bradley McPherson (biology): Alumni Research Grant ($2000)
Helen K. Thrasher of Baton Rouge, Monte I. Dobson of Texarkana: Alumni Scholarships (full tuition)

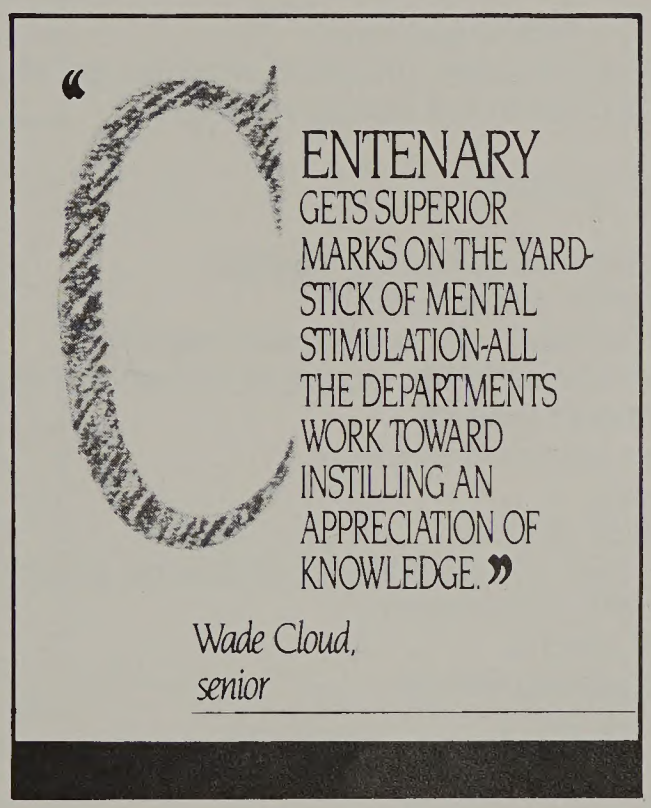
SPECIAL EVENTS

The Hon. George Thomas, Speaker of the House of Commons, set the tone for our academic year when he addressed the campus community at the President's Convocation in September. Other distinguished lecturers included:

Woodrow Wilson Visiting Fellow J. Robert Schaetzel, former U.S. Ambassador to the European Economic Community
Dr. Margaret N. Maxey, distinguished Professor of Free Enterprise at the University of Texas
Lloyd N. Unsell, Executive Vice President of the Independent Petroleum Association of America
Dr. James Fisher, President of the Council for Advancement and Support of Education (CASE)
Woodrow Wilson Visiting Fellow Jane O. Pierotti, Vice President of Holiday Inns, Inc.
Dr. Glenn O. Hilburn '51, Professor of Religion at Baylor and three-time president of Omicron Delta Kappa
Anna Russell, musical satirist.

The Campus Improvement Committee unveiled its master plan for the campus and tested the beautiful Centenary Rose, bred especially for the College. Also, construction of the Hodges Rose Garden was begun.

The Meadows Museum was in "seventh heaven" when the campus celebrated the museum's seventh birthday by announcing that a documentary film on Jean Despujols and his work would be made. Subsequently, Dr. Vickie Gottlob of the Department of Foreign Languages, translated the Despujols diaries, an act which played an important part in securing the funding of the documentary by the Louisiana Committee for the Humanities and generous community contributions.



CENTENARY COLLEGE OF LOUISIANA
Condensed Statement of Current Funds Revenues, Expenditures and Other Changes
Year ended May 31, 1983

The condensed statement of current funds revenues, expenditures, and other changes for the year ended May 31, 1983 appearing herein have been extracted and condensed from the financial statements of Centenary College of Louisiana, which have been examined and reported on by Pasquier, Batson & Co., independent certified public accountants. Such complete financial statements and report thereon by Pasquier, Batson & Co. may be inspected in the Business Office of Centenary College of Louisiana.

Endowment Funds

During the year ended May 31, 1983 the endowment funds increased $1,166,936. The book value of these funds as of May 31, 1983 was $16,701,796 and their approximate market value was $18,872,000.
